Dear Sir/Madam,

RE: Industrial Training Placement/ Internship

This is Curtis Victor Mabirizi a student with registration number 2023/BCS/148/PS in my second year pursuing a Bachelor's degree in Computer Science at Mbarara University of Science and Technology. I am writing to express my keen interest in the internship opportunity at Bank of Uganda Mbarara branch for the period of June through August 2025. I am enthusiastic about the chance to further enhance my skills in a dynamic and challenging environment like yours.

Throughout my academic journey, I have gained proficiency in programming languages such as Java, C, Python. My projects have ranged from developing mobile applications using Flutter to creating responsive websites using Django. Additionally, I have delved into basic machine learning concepts. My coursework has also included essential networking principles, ensuring a well-rounded technical education.

In addition to my technical skills, I possess several qualities that I believe are essential in a professional setting. I am highly organized and have excellent time management skills. My strong communication skills allow me to articulate ideas clearly. Being a class president of my cohort, I also possess great leadership skills which enable me work collaboratively with team members.

Thank you for considering my application. I am waiting for a positive reply from your side. You can contact me through 0751890911, 2023bcs148@std.must.ac.ug , 18vicu@gmail.com. Yours faithfully,

Curtis Victor Mabirizi
